A WHOLE NEW WORLD FOR THE SUPER 9 CELEBRATION

WELCOME TO THE 9TH PLATINUM AUCTION AT BONA BONA GAME BREEDERS

Dear friends, fellow breeders and honoured guests

Welcome to our home, to our farm and to what I believe is the most meaningful Platinum Auction we have ever hosted. As you turn the pages of this catalogue, know that you hold more than a guide to today's lots. You are receiving an invitation to be part of something bigger than any one of us.

We step into 2026 as Bona Bona Wildlife, a name that carries our deepest conviction: That wildlife breeding, ethical hunting, ecotourism and community upliftment belong together as one living system. Our Circle of Conservation is not a slogan. It is the way we live and farm, the way we think and the way we build a future worth inheriting.

We trust you'll get a chance to spend some quality time with us this weekend. Meet the people who work here. Sit with your family at the lodge and breathe in the stillness. You will feel the circle turning.

Every lot in this catalogue tells a story of careful selection, scientific rigour and DNA-verified pedigrees. Behind every animal on sale are years of patient, purposeful work. When you bid today, you are not only acquiring extraordinary genetics. You are investing in conservation that sustains itself, in communities that grow stronger and in an industry that proves, year after year, that excellence and stewardship go hand in hand.

I am proud that our neighbours are our partners. I am proud that our charity lots help fund schools and that the meat from our operations feeds families. I am proud that the decisions we make here will shape what our grandchildren inherit. South Africa holds something incomparable in the world. Within one country we offer unmatched diversity of species, landscapes, lodges and experiences. It is our privilege and our responsibility to protect this gift.

To our guest sellers, our loyal buyers, the excellent Wildswinkel auction team, old friends and first-time guests, thank you for being part of our circle of friends in wildlife. To the families who have made the journey, welcome to a weekend of laughter, good food and the kind of friendships that make this industry so special.

The circle turns. Conservation grows. Community thrives. Let us make this a day to remember.

Warmest regards

Pieter Ernst Jnr
The entire Ernst family and all of us at Bona Bona Wildlife

Consequently, a prospective bidder may enter bids against individuals who are physically present at the auction and vice versa. In light thereof the Owner/Seller, prospective Buyers and Buyers expressly takes note of and agree to the following:
   2.1. The prospective Buyers and Buyers shall strictly observe the instructions from the independent auctioneer where bids are accepted from the attendees and online bidding platform.
   2.2. The prospective Buyers and Buyers and/or its representatives, as the case may be, shall take reasonable steps to ensure that he or she is connected to the internet. It is advised not to utilise the internet if connectivity is poor and/or less than 4 megabits per second (Mbps) upload and download speed.
   2.3. The prospective Buyers and Buyers shall take reasonable steps to ensure that the feed on the online platform is frequently refreshed where it does not do so automatically.
   2.4. The prospective Buyers and Buyers and Owner/Sellers takes note and acknowledges that the auctioneer shall be entitled to close the online bidding for a particular lot prior to knocking down the hammer in order to take a final bid from the 'live attendees'.    2.5. Once a bid is made it cannot be withdrawn.
   2.6. Neither the Auctioneer, the Sellers' or the Auctioneer's representatives will be liable for any failure in connectivity or software while using the online bidding platform.

3. **TIMED AUCTION (IF APPLICABLE)**

   3.4. In respect of lots auctioned on the Timed Auction, the following additional terms and conditions will apply:
      3.4.1. Subject to paragraph 3.4.2 below, lots on the timed auction will close as per the specified date and time per lot as advertised on the online bidding platform, subject to an Extension Period. The closing of lots may be staggered.

In the event where bidding on a lot will close and a bid is received within two (2) minutes of the published closing time, the time to enter a bid shall be automatically extended for an additional period, which period is customarily two (2)minutes, but may vary from time to time (the "Extension Period").
      3.4.3. A lot will not close if a bid is received during an Extension Period and shall automatically be extended for a further Extension Period. The lot will only close if a final bid on the lot is received and stands alone for a period equal to the Extension Period.
      3.4.4. The "fall of the hammer" on a lot for the purposes of the timed auction is defined as the date and closing time published on the online bidding platform and/or the Seller's/Auctioneer's public websites, alternatively at the date and time a final bid on a lot stands alone for a period equal to the Extension Period, whichever occurs last.
      3.4.5. All lots on sale on the timed auction will have a minimum starting bid price which will be indicated on the online bidding platform. Any bid above the minimum starting bid price will not necessarily be successful as the lot may be subject to a reserve price. Should the aforementioned occur it is advised to make contact with the Auctioneer as soon as possible to obtain instructions from the Owner/Seller to explore the viability of entering a transaction. This does not create any right of refusal nor does it impose an obligation on the Owner/Seller or the Auctioneer to enter any transaction.
      3.4.6. The minimum bidding increment may vary per lot but is specified on the online bidding platform.
      3.4.7. Once a bid is made it cannot be withdrawn.
